Belrye and the Summoner

Well, since your hands are already on his breasts, that seems like a great place to start. It feels a bit strange to be groping someone covered in fur, but you imagine that will fade with time. Under the fur, they feel firm and a bit perky. Finding his nipples, you rub them between your fingers, feeling them harden with every second. You feel one of his hands brush your side, wrapping around and pulling you closer. You feel the claws of his fingertips against your back. They are just resting lightly against you, but their tips feel quite sharp. You feel the palm of his other hand brush your cheek as his lips meet yours.

His lips part slightly, and you feel his tongue slide between yours. As the two of you share a French kiss, you are surprised to find the sharpness of his teeth not unlike his claws. Despite his goatlike features, you remind yourself that he isn't really a goat. You give one of his nipples a slight pull, and the demon whimpers softly against you. You pull away from the kiss and tease, "Mmm, you like when I do that?"

"Uh-huh. . ." he replies, needily. You give both of them a firmer pull, and you feel him wrap his legs around you. His hooves are pressed against the back of your calves, their hardness contrasting with the soft fur of his legs. "Seems like you like it, too. Kinda surprising, since I seem to recall you saying you weren't into stacked guys," he giggles, "Maybe you just like them small?"

As you keep exploring his breasts, he asks, "So, Summoner, it sounds like you've maybe never been in a relationship before. But there's a whole wide world of ways to have one. Anything from a romance between two people, to more of a bondage thing, to the outright bizarre. What do you think you would like most? I promise I won't judge or laugh at you, so you can tell me anything at all." You feel something rubbing against your dick. You realize that since both of his hands are accounted for, that must be his own. It feels strange, even besides the sheath, though you still would rather be feeling a wet pussy instead.

Your hands pause as you think for a moment. "Um. . . I guess I never really

thought about it? I just want to find someone who's into me. Like at this point I would take anyth—"

You are interrupted by Belrye's finger pressed against your lips. "You're love-starved, Summoner, just as much as I have spent my life lust-starved. We're gonna get through it together. But let's talk about it, if you have never thought about it before. I think I know just where to start, too. I'd like you to think back to stories you've read, movies you've watched, porn you've enjoyed, anything at all. Can you think about that for me?"

"Y-yeah," you reply.

"Okay, this is the part that might be a little painful. Try to picture them in your head. What kinds of things made you feel a bit extra lonely? For that matter, what types of scenes or stories made you feel a little extra horny?"

You think for a moment. A story that caught your interest, a movie that made you feel an empty longing inside, various things scattered throughout your porn collection, a beautiful song whose lyrics you were certain had been written for you. . . You feel Belrye's hand rubbing on your back, reassuring you to take as long as you need.

You take a deep breath. Well, if you are going to open up about what you are into, you can't really imagine anyone more receptive than a lust demon, especially one who seems so reassuring. Besides, you can't imagine ever getting another opportunity like this one, and you would kick yourself for the rest of your life if you let it slip by. You give Belrye's breasts a final, firm squeeze as you finish psyching yourself up, feeling him arch his back to give you a better angle.

If you're being honest, you are into. . .
